Sevren Ni-Arb starts Electronic Music Label

Meshwork Music is the name of the new electronic music label by Sevren Ni-Arb.

Since 1988 Sevren Ni-Arb is active as musician and producer and he is well-known to fans of electronic music all over the world especially for his famous music project X-MARKS THE PEDWALK. His influence in the industrial and electronic music scene was considerable during the 1990s including releases on the former label of DJ Talla2XLC ("ZothOmmog").

Finally the label name harks back to the 1995 album „Meshwork“, rated as one of the most important milestones not only in the band history of X-MARKS THE PEDWALK. In that time “Meshwork” pushed the musical boundaries of the scene.

Meshwork Music will focus on projects by Sevren Ni-Arb first. New works by X-MARKS THE PEDWALK and also his instrumental project SN-A are under construction.
